### Summer Corsets.

Now is the season when a light, cool  
corset is appreciated. Not only must the  
corset be light, but the model must be  
spotless, and can only be free from rust  
stains by being absolutely proof against  
perspiration. We guarantee the

### Warner Bros. Corsets

to be absolutely Rust Proof, and if after  
continuous wear in the warmest tempera-  
ture a corset branded "Warner's Rust  
Proof" becomes spotted or stained the  
daintiest underlinen, the wearer is entitled  
to a new corset or money refunded.

The qualities and models are too varied  
to give a definite description of each; and  
they come in light, soft batistes and  
dainty Summer nets. Each model is  
ornate with laces and soft ribbon cor-  
responding to the quality of material.

25 cents.

these fabrics will sell very rapidly at  
these prices.

### The Possibilities Developed.

The success of the Disc type of Gra-  
phophone which uses flat, indestructible  
records, is largely due to the fact that  
the Columbia Phonograph Company,  
pioneers and leaders in the talking  
machine art, has developed the possi-  
bilities in both the machines and the  
records beyond all expectations. It was  
able to do this because it is the only  
company in the talking machine field  
having a complete laboratory and a  
manufacturing plant on a broad and  
comprehensive basis. Its facilities for  
experimentation and for manufacturing  
are on a very large scale. It does not  
have to rely on inexperienced manu-  
facturers for any part of the product it  
offers for sale. It makes its own  
machines and its own records from start  
to finish which is a fundamental advan-  
tage of the first magnitude.

The Disc Graphophone is made in  
three types, selling at \$15, \$20 and \$30.  
Seven inch records 50c each, \$5 pe-  
dozen; 10 inch records \$1 each, \$10 per  
dozen. The Graphophone and Colum-  
bia Records were awarded Grand Prize  
at the Paris Exposition in 1900.

The Columbia Phonograph Company,  
110 E. Baltimore street, Baltimore, head-  
quarters for graphophones and talking  
machine supplies of every kind, will  
send you catalogues on application.

A CHANGE.—I have recently employed  
another barber and put in another  
chair, making four in all. You can al-  
ways get a turn at my shop. Service  
the best.

### AMUSEMENTS.

—That ever-popular company, the  
Who, What, When Minstrels will  
make a popular bid for public favor at  
the Grand Opera House, in this city,  
to-night, and there is no question as to  
their making good. There will not be a  
dull moment at the Grand to-night and  
any one who attends can be assured that  
they will see one of the very best min-  
strel performances ever given in the  
city. The reputation this company left  
here last season insures for them a  
full house. The witticisms of the  
end-men will be strictly up-to-date and  
refreshing. From the rise to the fall of  
the curtain the audience will be treated  
to a succession of surprises. In the olio  
will be seen some of the most distinct  
hits ever seen in minstrelsy. Don't miss  
the Who, What, When's to-night.

dramatization of Charles Major's famous  
romance of chivalry "When Knighthood  
Was In Flower."

—A bright farce comedy, "Casey's  
Troubles," will be seen here shortly.  
The company is said to be of undoubted  
merit and the piece beyond the average.  
The company is headed by Barry Gray,  
who plays the role of "Casey" and the  
specialties include the Kennedy Chil-  
dren, Doody and Wright, the Australian  
comedy duo and the funny "wooden
